Grow Your Business
Retrofitting for Wildfire

AN ONLINE WORKSHOP FOR BUILDERS, CONTRACTORS, ROOFERS, ARCHITECTS AND HANDYMEN

STREAMING LIVE
Monday, March 10, 2025 | 6:00 – 7:00 pm
Join on Zoom or watch on Comcast Channel 30

The rising threat of wildfires has sparked demand from residents for contractors knowledgeable about home hardening. Stay ahead of the curve and establish your business as an industry leader by learning about how to lower wildfire risks to homes.

LEARN ABOUT:

- Market demand for contractors to do wildfire mitigation work.
- Ember ignitions and how they affect building materials and design.
- How to fix common wildfire risks on roofs, eaves, gutters, windows, doors, decks, exterior walls and adjacent to the home.

Host: Rich Shortall, Fire Safe Marin

Special Guests:
Todd Lando, Marin Wildfire
Rick Wells, Marin Builders Association
