RESIDENTS REDUCING WILDFIRE RISKS

Join us for a **FREE 2-hour seminar on wildfire preparedness for Novato residents.**

As Marin residents, we all share responsibility to be prepared for wildfires. Wildfires are a natural part of our environment, and it's imperative that we build our homes, maintain our landscapes, and prepare our families for the next major fire.

- Are you and your family prepared to safely evacuate when a wildfire strikes?
- Learn about local evacuation routes and notification systems.
- Is your home vulnerable to igniting from wildfire embers?
- Learn how to make your home resistant to igniting during a wildfire.
- Does your home have adequate Defensible Space?
- Learn about fire-resistant plants and landscaping.
- Are you interested in working with neighbors and land managers to reduce fire risk in your community?
- Learn about local fire codes, ordinances, and defensible space requirements.
- Learn about countywide and local initiatives to reduce risk and improve wildfire safety for all Marin residents..
