# Types of Alerts & Warnings

**Shelter in Place**  
Stay in your current location or the safest nearby building. This may be required when evacuation is unnecessary or too dangerous.

**Evacuation Warning**  
Be ready to leave. Prepare your family. Gather your go bag. Leave if you feel unsafe.

**Evacuation Order**  
Leave NOW! Evacuate immediately. Follow instructions from Emergency Services and First Responders

**Red Flag Warning**  
These warnings are issued when weather conditions are right for extreme wildfire events. This is the time to stay on high alert and be ready to evacuate quickly

**When to call 911**  
• Any type of fire  
• A vehicle collision, especially if someone is injured  
• When you or the person you care for feels at risk  
• Any crime in progress  
• Any situation when medical help is needed right away
